Ready-to-use media.

Culture media preparation requires expert staff and time, in addition to the quality controls of the batch itself. Ready to use culture medium offers industry professionals security, easy use and time optimization, simplifying day-to-day work. Condalab products are available in a wide variety of presentations (90 mm, 55 mm and contact plates) and different medium formats such as tubes, bottles and bags, as well as products for the control of clean rooms and sterile environments.
